TUITION POLICY

GRADES KINDERGARTEN – 10

The International School of Bergen maintains two tuition fee schedules for Kindergarten through Grade 10; one for privately-sponsored children and one for company-sponsored children.

A. COMPANY SPONSORED

Families will be considered company sponsored and required to pay company tuition rates if they are non-Norwegian and do not meet the criteria defined below for private sponsorship. Once registered as company sponsored, a student will always be defined as such.

B. PRIVATELY SPONSORED

To be considered eligible to qualify for privately sponsored tuition rates, families must:

- a. be Norwegian citizens,
- or, if non-Norwegian,
- b. receive no pay differential to account for tuition costs and have resided in Norway for at least three (3) years immediately prior to application to ISB.
 - c. other special cases as approved by the Director and the Board of Trustees.

The burden of proof is on the applicant.

Families wishing to apply for consideration as privately sponsored under category **Bc.** above, should make written application to the Board of Trustees outlining their circumstances and providing as much evidence as possible to support their application.
